

Track Rules & Regulations

This page is to provide you with some basic information on what is legal to get started in drag racing at Renegade Raceway. If you need more information, you can obtain a copy of the 2011 NHRA rule book online at NHRA.com. Have fun and drive safely!!

If you need help with any tech questions or rules about racing at Renegade please contact Derek Snelson at d@sport77.com.

Basic Tech Rules and Regulations: All classes run with a full .500 tree.

1. All cars must have seat belts
2. All cars require a 16oz or larger radiator overflow container.
3. No plastic or glass fuel filters allowed, no more than 12 inches of rubber fuel line may be used
4. No plastic oil pressure lines allowed.
5. All vehicles must have a functional neutral safety switch.
6. All batteries must be securely mounted(no bungee cords, rope, wire, etc.)If relocating battery, please see NHRA rule book (General Reg 8.1) If battery has been moved from stock location, car must have an Electrical Power Cut Off Switch located at the rear most part of the vehicle and be easily accessible. The Cut Off Switch must be connected to the positive side of the electrical system and stop all electrical function. The off position must be clearly indicated with the word OFF. If switch is a push pull type, "Push" must be the action for shutting off the electrical system and pull to turn back on. Plastic or keyed switches prohibited.
7. All drivers must wear long pants (sweats ok, nylon not recommended).
8. No tank tops, shirts must have sleeves.
9. All drivers running 13.99 and faster are required to wear an NHRA approved Snell 2005 or newer helmet
10. All drivers must have a valid driver's license
11. All cars running at night must have a functional tail light.
12. No speeding in the pits. The speed limit is 10mph. Violators will be ejected.
13. Competition numbers must be a minimum 6" high x 1 1/2" wide. Class designation lettering must be 3" x 1". Color must be contrasting to background.
